SCHEDULE I (A)

Respondent No. 1 and Shri Rajdeo Upadhya and Shiv Prasad, the two Assembly candidates seeking election from Sidna Jobna Double member Assembly Consti-

tuency on the Congress Ticket and their agents and supporters started a strange so-called Satyagrah at Lakshmi Devi Sugar Mills Ltd. Chhitauni for the reinstatement of 76 workmen who were dismissed in pursuance of the order of the Supreme Court of India dated 24th October, 1956. The so-called Satyagrah was continued by respondent No. 1 and his allied Congress Assembly candidates, their agents and others interested in their election from 17th January 1957 to 15th February 1957 for showing themselves off as champions of labour and to woo the labour to vote for him and for the other Congress candidates and to keep engaged Shri Madan Pal Singh, the Manager, who was a candidate for Parliament as well as U.P. State Assembly, so that he might not be able to devote his attention and energies to his election campaign. The said Shri Madan Pal Singh brought all the facts and circumstances to the notice of the district authorities of Deoria and also of the State Government, but no step whatsoever was taken either by the District authorities or the Government to let the factory function by the removal of trespassers from the Sugar-cane weighbridge of the said Lakshmi Devi Sugar Mills Ltd., though Police and Magistrate were present even on 17th January 1957. Due to the stoppage of the Mills, harassment was caused to the canegrowers and the congress workers of respondent No. 1 told the canegrowers that respondent No. 1 could alone save them by allowing the Mills to start crushing and thus promises for voting for Respondent No. 1 and Shri Rajdeo Upadhyaya and Shiv Prasad Congress candidates for State Legislative Assembly, were extorted from them.

Shri C. B. Gupta, Ex-Hon'ble Minister for Planning and Industries U.P. in his zeal to support the cause of the respondent No. 1 who is a labour leader of his party, manipulated things in such a way that no steps to remove the trespassers were taken till 15th February, 1957. The Police posted at the said Mills had orders to arrest the said Shri Madan Pal Singh on the slightest pretext and thus he was virtually under house arrest during the period of this so-called Satyagrah.

The Ex-Hon'ble Minister Shri C. B. Gupta, then Minister for Planning and Industries in the course of his election tour visited various places in Deoria District and reached Gorakhpur in the night of 12th February, 1957. Respondent No. 1 and his supporters had threatened some of the Directors and parties of the said Mills that the said Hon'ble Minister had studied the condition of this Mill and very soon an authorised Controller of the Mill would be appointed. The threat of the appointment of an authorised Controller frightened the directors and they were asked by Respondent No. 1 to see the said, Hon'ble Minister in the night in the Inspection House at Gorakhpur. Some of the partners met him at the Inspection House where he told them that their Mills would not be allowed to start crushing unless they dismissed their Manager Shri Madan Pal Singh and agreed to the terms of the respondent No. 1. They were highly nervous and frightened and were not even allowed to explain their position. The said Hon'ble Minister directed them to get in contact with respondent No. 1. In the morning of 13th February, 1957 they again saw the said Minister when he told them that he could request respondent No. 1 to settle their matter and before leaving Gorakhpur he telephoned to respondent No. 1 at Padrauna to talk with them. On 13th February 1957 the parties of the said Mills after their return from the Inspection House, telephoned to respondent No. 1, and entreated him to come to Gorakhpur. The respondent No. 1 reached Gorakhpur in the night of 13th February, 1957. On the 14th February, 1957, respondent No. 1 asked the partners present *inter alia* to dismiss Shri Madan Pal Singh and to re-instate the 76 dismissed employees and also those whose cases were pending in courts and if they did not dismiss Shri Madan Pal Singh just then, they should ask Shri Madan Pal Singh to withdraw from election contests for the Lok Sabha and the U.P. Assembly for both of which he was a candidate. The partners present told respondent No. 1 that they could not agree to his demands as dictated by him. The respondent No. 1 then suggested that the demands may be referred to arbitration of Shri O. N. Misra, Labour Commissioner, U.P., for arbitration. The parties present in the meeting were highly frightened by the threat of appointment of an authorised controller and also by the wrath of the said then Hon'ble Minister for Planning and Industries and they agreed to refer the matter to arbitration. Shri R. P. Maheshwari, Regional Conciliation Officer, Gorakhpur and respondent No. 1 prepared a draft agreement, got it signed by those directors who were present, excluding Shri Ratan Lal Kedia and Shri Bholiram Jhunjhunwala, who signed it at their place. The said R.C.O., Gorakhpur, got it signed by them.

After the signing of the alleged agreement, the respondent No. 1 asked the Chief Minister U.P. on Phone to allow the said Mill to start working and also to direct the Cane Commissioner U.P. to issue necessary direction to the local Co-operative Development Unions to start the cane supply which had been stopped, and consequently every thing as desired by respondent No. 1 was done. Mills

started crushing on 15th February, 1957. As promised the partners asked Shri M. P. Singh to withdraw from the contest to the U.P. Legislative Assembly and the Lok Sabha for both of which he was a candidate and he under threat of dismissal had to file retirement applications from both the contests. The retirement applications were filed on the 20th February, 1957. Accordingly he ceased to be a contesting candidate for the Sidna Jobna Assembly constituency where election was fixed for 3rd March, but his application for retirement from the Hata Lok Sabha Election was a day too late as Election in one part of this constituency was to begin on 28th February, but even though he could not cease to be a contesting candidate for Lok Sabha, he was not permitted to do any work for his election. During the period of the so-called Satyagrah Shri Madan Pal Singh's personal character and conduct was painted in the darkest colour by the respondent No. 1, Sri Gopal Krishan, Shri Bhagwat Sahi, and Shri Rajdeo Upadhyia in various meetings held at Deoria, Ramkola, Captainganj, Chhitauni, Padrauna, Kasia, Lakshmaniganj, and the election campaign of the respondent No. 1 was a regular campaign of vilification of Shri Madan Pal Singh.

SCHEDULE III

Respondent No. 1 and Shri Rajdeo Upadhyaya and Shiv Prasad, the two Assembly candidates seeking election from Sidna Jobna Double member Assembly Constituency on the Congress Ticket and their agents and supporters started a strange so-called Satyagrah at Lakshmi Devi Sugar Mills Ltd. Chhitauni for the reinstatement of 76 workmen who were dismissed in pursuance of the order of the Supreme Court of India dated 24th October 1956. The so-called Satyagrah was continued by respondent No. 1 and his allied Congress Assembly candidates, their agents and others interested in their election from 17th January 1957 to 15th February, 1957 for showing themselves off as champions of labour and to woo the labour to vote for him and for the other Congress candidates and to keep engaged Shri Madan Pal Singh, the Manager, who was a candidate for Parliament as well as U.P. State Assembly, so that he might not be able to devote his attention and energies to his election campaign. The said Shri Madan Pal Singh brought all the facts and circumstances to the notice of the district authorities of Deoria and also of the State Government, but no step whatsoever was taken either by the District authorities or the Government to let the factory fuction by the trespassers from the Sugar-cane weighbridge of the said Lakshmi Devi Mills Ltd., though Police and Magistrate were present even on 17th January 1957. Due to the stoppage of the Mills, harassment caused to the cane-growers and the congress workers of respondent No. 1 told the cane growers that respondent No. 1 could alone save them by allowing the Mills to start crushing and thus promises for voting for Respondent No. 1 and Shri Rajdeo Upadhyaya and Shiv Prasad Congress candidate for State Legislative Assembly, were extorted from them.

Shri C. B. Gupta, Ex-Hon'ble Minister for Planning and Industries U.P. in his zeal to support the cause of the respondent No. 1 who is a labour leader of his party, manipulated things in such a way that no steps to remove the trespassers were taken till 15th February, 1957. The Police posted at the said Mills had orders to arrest the said Shri Madan Pal Singh on the slightest pretext and thus he was virtually under house arrest during the period of this so called Satyagrah.

The Ex-Hon'ble Minister Shri C. B. Gupta, then Minister for Planning and Industries in the course of his election tour, visited various places in Deoria District and reached Gorakhpur in the night of 12th February, 1957. Respondent No. 1 and his supporters had threatened some of the Directors and parties of the said Mills that the said Hon'ble Minister had studied the condition of this Mill and very soon an authorised Controller of the Mill would be appointed. The threat of the appointment of an authorised Controller frightened the directors and they were asked by Respondent No. 1 to see the said, Hon'ble Minister in the night in the Inspection House at Gorakhpur. Some of the partners met him at the Inspection House where he told them that their Mills would not be allowed to start crushing unless they dismissed their Manager Shri Madan Pal Singh and agreed to the terms of the respondent No. 1. They were highly nervous and frightened and were not even allowed to explain their position. The said Hon'ble Minister directed them to get in contact with respondent No. 1. In the morning of 13th February, 1957 they again saw the said Minister when he told them that he could request respondent No. 1 to settle their matter and before leaving Gorakhpur he telephoned to respondent No. 1 at Padrauna to talk with them. On 13th February, 1957 the parties of the said Mills after their return from the Inspection House, telephoned to respondent No. 1, and entreated him to come to Gorakhpur. The respondent No. 1 reached Gorakhpur in the night of 13th February, 1957. On the 14th February, 1957, respondent No. 1 asked the partners present *inter-alia* to dismiss Shri Madan Pal Singh and to re-instate the 76 dismissed employees and also those whose cases were pending in courts and if they did not dismiss Shri Madan Pal Singh just then, they should ask Shri Madan Pal Singh to withdraw from election contests for the Lok Sabha and the U.P. Assembly for both of which he was a candidate. The partners present told respondent No. 1 that they could not agree to his demands as dictated by him. The respondent No. 1 then suggested that the demands may be referred to arbitration of Shri O. N. Misra, Labour Commissioner, U.P., for arbitration. The parties present in the meeting were highly frightened by the threat of appointment of an authorised controller and also by the wrath of the said then Hon'ble Minister for Planning and Industries and they agreed to refer the matter to arbitration. Shri R. P. Maheshwari, Regional Conciliation Officer, Gorakhpur, and respondent No. 1 prepared a draft agreement, got it signed by those directors who were present, excluding Shri Ratan Lal Kedia and Shri Bholiram Jhunjhunwala, who signed it at their place. The said R.C.O., Gorakhpur, got it signed by them.

After the signing of the alleged agreement, the respondent No. 1 asked the Chief Minister U.P. on Phone to allow the said Mill to start working and also to direct the Cane Commissioner U.P. to issue necessary direction to the local Co-operative Development Unions to start the cane supply which had been stopped, and consequently every thing as desired by respondent No. 1 was done. Mills started crushing on 15th February, 1957. As promised the partners asked Shri M. P. Singh to withdraw from the contest to the U.P. Legislative Assembly and the Lok Sabha for both of which he was a candidate and he under threat of dismissal had to file retirement applications from both the contests. The retirement applications were filed on the 20th February, 1957. Accordingly he ceased to be a contesting candidate for the Sidna Jobna Assembly constituency where election was fixed for 3rd March, but his application for retirement from the Hata Lok Sabha Election was a day too late as Election in one part of this constituency was to begin on 28th February, but even though he could not cease to be a contesting candidate for Lok Sabha, he was not permitted to do any work for his election. During the period of the so-called Satyagrah Shri Madan Pal Singh's personal character and conduct was painted in the darkest colour by the respondent No. 1, Sri Gopal Krishan, Shri Bhagwat Sahi, and Shri Rajdeo Upadhyia in various meetings held at Deoria, Ramkola, Captainganj, Chh'tauni, Padrauna, Kasia, Lakshamiganj, and the election campaign of the respondent No. 1 was a regular campaign of vilification of Shri Madan Pal Singh.
